Dear Sirs,

INTEGRATED VEHICLE RECOVERY SERVICES

We trust that you have found the information on our website helpful in learning a little more about our company and its services which we hope will be of interest to your company in the event of a breakdown or accident involving one of your vehicles.

Using our nationwide network of contracted sub-agents we can offer you true nationwide coverage for accidents and breakdowns involving any type of vehicle from a motorcycle to a fully loaded commercial vehicle anywhere in the UK.

We specialise in building bespoke recovery packages for blue chip customers, depending on their requirements. Our goal is to integrate our services into your company structure to reduce your downtime as well as your costs, in an already unprofitable situation

Such a scheme has many wide ranging benefits to the customer, and talking to us can help to remove some of the headaches that vehicle recovery often brings.

If you have any further questions, or any special requirements, these should be directed to the undersigned. Each system is built to the client's exact needs.

We look forward to working with you and your company in the future.

Yours faithfully,
